Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, Applicant hereby notifies the U.S. Patent and Trademark Office of the documents which are listed on the attached PTO/SB/08 A & B (modified) form and/or listed herein and which the Examiner may deem material to patentability of the claims of the above-identified application.

None of the listed documents is required to be submitted herewith, since each of the cited documents is a U.S. patent and/or U.S. patent publication.

The present Information Disclosure Statement is being filed before the mailing date of the first Office Action on the merits; therefore no Statement under 37 C.F.R. § 1.97(e) or fee under 37 C.F.R. § 1.17(p) is required.

Furthermore, the present Information Disclosure Statement is being filed thirty days or fewer since receipt of a communication from the USPTO, and a Statement Under 37 C.F.R. §1.704(d) is also attached.

It is noted that the ten U.S. documents listed were first cited in an Office Action dated February 20, 2008 in related U.S. Application No. 11/736,495. A copy of the Office Action is attached.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
